Hymn #365 Amen!

A minister was completing a temperance sermon. With great emphasis he said, 'If I had all the beer in the world, I'd take it and pour it into the river. 'With even greater emphasis he said, 'And if I had All the wine in the world, I'd take it and pour it into the river.' And then finally, shaking his fist in the air, he said, 'And if I had all the whiskey in the world, I'd take it and pour it into the river.' Sermon complete, he sat down.

The song leader stood very cautiously and announced with a smile, nearly laughing, 'For our closing hymn, let us sing together Hymn #365, 'Shall We Gather at the River.'

Smile - life is too short not to!!

If this brightened your day Don't let it stop here Pass it on with a smile Keep spreading the Cheer.

See you at the river!

Bring your own glass!

CORRECTION TO PLANT TAGS

Would all Members who will bench orchids at any future meetings, please change their plant tags as

necessary, so that we do not have to do these alterations continuously.
